

## Discipleship Courses for Christian Ministers and Serious Disciples

These courses have been prepared for brethren who are serious disciples of the word of God. There are three years of course work altogether.

The first year's modules, seminars and practical constitute the coursework for **Certificate I**.

The second year's modules, seminars and practical constitute **Certificate II**,

The third year's modules, seminars and practical constitute **Certificate III**.

### **Three Seminars**

There needs to be three seminars arranged for each year's course:

one at the beginning of the course to introduce apostolic teaching to the disciples,

one in the middle of the course to consolidate the apostolic teaching in their understanding;

one at the end of the course to complete the teaching and graduate the successful students.

Seminars need to be presented by an apostle or apostolic teacher.

### **Curriculum - based on manuals and books**

The **manuals and books** that are to be studied will be made available to the acting principal of the course and copies can be made for all participants if that is possible.

**Certificates** will be issued at the end of each year's course to those who successfully complete the course.

**Each module** is based on a manual [written by Paul Galligan or one of the team at Revival Ministries Australia] or a book. Each manual has between four and eleven sessions.

We recommend that the school meets at least **one full day per week** and that at least two sessions are presented each day. Please note that some of the sessions in some of the manuals have recommended workshops that the students are expected to participate in.

Each year's course is the equivalent of nine modules. Normally a module is one manual and the books in the course are equal to 2 modules each. Some of the sessions are longer and an individual session may take a full day. Some of the sessions are shorter and three or four may be covered in one day. Most of the sessions are average length and we suggest two sessions per day.

Each session is normally a chapter of one of the manuals or the books. The students need to **note the main points of each chapter's teaching** as they study the material. When the study of the material is complete and the student has noted the main points, then each student is to **write briefly how they see the word applying in the church today**.

In the third year course there are two modules [M7 and M8] that are devoted to developing practical ministry skills – preaching set biblical topics & memorizing Scriptures in particular subject areas.

The course should be successfully completed in **nine months**, following the above schedule.

**Practical Ministry:** there are two areas of practical ministry required for the three years of the course:

- the regular celebration of the Lord's Supper
- disciplined reading of the Scripture – the whole Bible in one year.

**For further information contact Revival Ministries Australia.** There may be an apostolic leader in your area who is able to present the seminars and also have access to the Curriculum materials.
