Have you thought

All these things testify, give evidence of God, the Maker & Creator of all things. *"For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse"*

Romans 1:20

So what is the problem with us seeing God as the Creator? It is because people, many scientists, come from a position of wanting to deny and try to disprove His existence. *"Professing to be wise, they became fools...who suppress the truth in unrighteousness, because what may be known of God is manifest in them, for God has shown it to them"*

Romans 1:22, 18-19

When you begin to look around you in creation take in the beauty of the blue sky, the clouds, the stars and the immensity of the universe at night. Look at the amazing vibrant colours of the flowers and the diversity of the trees and animals that inhabit forests and the bush. When you look in the mirror and see the miracle of human life staring back at you, consider your Maker!

He is wonderful! He is so creative! He is colourful! He is infinitely intelligent! He cares for you and every living creature. *"The LORD is good to all, And His tender mercies are over all His works."*

Psalm 145:9

What should be our response? Thank God! Praise Him! Worship Jesus the Creator of all things. *"For by Him (Jesus) all things were created that are in heaven and that are on earth."* **Colossians 1:16**

"Let the earth bring forth grass...the fruit tree yields fruit according to its kind whose seed is in itself, on the earth" Genesis 1:11
